

CURRICULUM VITAE

Personal Information:

Name: Lukas Nics
Telephone number: +43 1 40400 - 7835
Email: lukas.nics@meduniwien.ac.at
Date of Birth: October 28th, 1969
Citizenship: Austria

Current position:

- Scientific employee at the Department of Nuclear Medicine, (Radiochemistry and Biomarker Development Unit, Medical University of Vienna)
- Teaching assistant at the at the Department of Nutritional Sciences (Faculty of Life Sciences, University of Vienna) “Übungen zur Ernährung des Menschen I”
- Lecturer at the at the Department of Nutritional Sciences (Faculty of Life Sciences, University of Vienna) “Chromatographie in der qualitativen und quantitativen Bioanalytik - Schwerpunkt HPLC”
- Doctoral student of Nutritional Sciences (Faculty of Life Sciences, University of Vienna)

Education:

- Nov 2000 – Jun 2002
Vocational matriculation examination
- Oct 2002 – Feb 2008
Study of Nutritional Sciences (Faculty of Life Sciences, University of Vienna); Title of degree dissertation: “Veränderungen des oxidativen Stresses und nutritiver Antioxidantien durch einen Iron-Man Triathlon” (Supervisor: Prof. Mag. Dr. Karl-Heinz Wagner)
- Sep 2005 – Jun 2008
Tutor at the Department of Nutritional Sciences (Faculty of Life Sciences, University of Vienna)
- Feb 2008
Graduation as Mag. rer. nat.
- Apr 2008 –
Doctoral study at the Department of Nuclear Medicine, (Radiochemistry and Biomarker Development Unit, Medical University of Vienna), Title: “How does the enzymatic system influence bioavailability - *in-vitro* and *ex-vivo* models” (Supervisor: Prof. Mag. Dr. Karl-Heinz Wagner)

- Sep 2008 –
Teaching assistant at the Department of Nutritional Sciences, (Faculty of Life Sciences, University of Vienna)
- Sep 2011 –
Lecturer at the Department of Nutritional Sciences, (Faculty of Life Sciences, University of Vienna)

Professional Qualifications:

- Analytic: HPLC, TLC, GC, photometry, radiochemistry, enzyme kinetics, metabolism, tissue and body fluids
- PC: MS-Office, several statistic and graphic programs
- Language: German, English
