

CURRICULUM VITAE

Contact information:

Name Patrick A. Zöhrer
Address Department of Nutritional Sciences,
University of Vienna,
Josef-Holaubek-Platz 2 (UZA II),
1090 Vienna
Tel. office: +43 1 4277 ext. 54931
E-Mail: patrick.zoehrer@univie.ac.at
WebPage: homepage.univie.ac.at/patrick.zoehrer
Link tree: linktr.ee/LabZAP

Research interest:

Exploring the human gut microbiota and intrinsic and extrinsic connections with focus on nutritional impacts by using selected techniques of bioinformatics and statistical analysis.

Current positions:

- Senior Lecturer at the Department of Nutritional Sciences, University of Vienna
- Responsible head for “UE Practice of Human Nutrition I” and “UE Biochemical Practise”
- Prae-doc at the Department of Nutritional Sciences, University of Vienna
- Chemical Technical Assistant at the Department of Nutritional Sciences, University of Vienna
- Supervision of bachelor students and mentoring of master students in their thesis

Higher Education:

- 2009 Graduation from Federal Higher Technical Institute for Education and Experimentation HBLVA Rosensteingasse, Vienna
- 2014 Graduation from University of Vienna (Bachelor's degree, Nutritional Sciences)
Thesis: Effect of selected natural food ingredients on the immune system
- 2017 Graduation from University of Vienna (Master's degree, Nutritional Sciences)
Thesis: Associations of unconjugated bilirubin and microbiota in humans
- 2017 Graduation from University of Vienna (Bachelor's degree, Biology; Microbiology and Genetics)
Thesis: Changes of gut microbiota in High-LET irradiated mice
- Current Prae-doc at the Department of Nutritional Sciences, University of Vienna

Work experience and academic appointments:

- 08/2018 – 04/2021: Research platform “Active Ageing”, University of Vienna
Project staff: EU funded, cross-border project SK-AT INTERREG “NutriAging”
- 04/2017 – 07/2018: Department of Nutritional Sciences, University of Vienna
Project staff: Austrian Science Fund (FWF) Stand-Alone Project P 29608
- 09/2014 – 07/2018: Center for Teaching and Learning, University of Vienna
Communicator and e-tutor for blended learning, especially *Flipped Classroom*
with support of the free and open-source learning management system Moodle
- 08/2014 – 12/2014: Department of Nutritional Sciences, University of Vienna
Human study: recruitment, anthropometry, exercise protocols
- 04/2014 – 02/2017: Department of Nutritional Sciences, University of Vienna
Tutoring students in “UE Introduction to Laboratory Practice”

- 03/2014 – 03/2016: Department of Nutritional Sciences, University of Vienna
 Training as a panellist, sensory testing
- 10/2013 – 08/2016: Department of Nutritional Sciences, University of Vienna
 Research assistant at Nutritional Sciences Directorate of Studies
- 09/2009 – 03/2010: Military Service
- 07/2006 – 08/2006: Country hospital Horn, Lower Austria
 Human medical pathological laboratory
- 08/2005 – 09/2005: State Institute for Veterinary Examinations Ehrental, Carinthia
 Veterinary pathological laboratory

(Selected) Conference participations/Poster presentations/ Awards/Grants:

- 09/2017: Poster presentation ÖGE Jahrestagung 2017
Yellow Fellows: Is the gut microbiota changed in mild hyperbilirubinemia?
- 11/2017: Meeting Abstract Ernährung aktuell
Yellow Fellows: Is the gut microbiota changed in mild hyperbilirubinemia?
- 04/2018: Science communication Lange Nacht der Forschung 2018
Presentation of the NutriAging Interreg SK-AT project
- 04/2018: Science communication Wiener Gesundheitstage 2018
Presentation of the NutriAging Interreg SK-AT project
- 06/2018: UNIVIE Teaching Award²⁰¹⁸
Flipped Classroom als Lehrkonzept im Zeitalter der Digitalisierung
- 11/2018: Science communication ÖGE Jahrestagung 2018
Presentation of the NutriAging Interreg SK-AT project
- 11/2018: ÖGE Ernährungsforschungs-Preis 2018
Category: Master's thesis
- 11/2018: Science communication VEÖ Schnitt.Punkt
Ernährungswissenschaften in der Forschung
- 06/2019: Meeting Abstract 24th Annual Congress of the European College of Sport Science
Effects of low or high amounts of dietary protein and resistance training on muscle quality of older adults: a randomized controlled trial
- 06/2019: Science communication Science Slam Fakultätsfest Fakultät für Lebenswissenschaft
Radikale Signale, oder Warum mehr nicht immer besser ist großartig dar.
- 11/2019: Granting of Moodle educator certificate by Moodle Pty Ltd
- 11/2019: Science communication Science Slam Wien
Radikale Signale, oder Warum mehr nicht immer besser ist großartig dar.
- 11/2019: Conference participation ÖGE Jahrestagung 2019
Der Zusammenhang von Körperzusammensetzung, Proteinaufnahme und Krafttraining im Alter – Erste Ergebnisse der NutriAging Studie
- 09/2020: Poison license of the University of Vienna (Valid until 03.12.2023, renewal requested)
- 09/2020: Training as radiation protection officer for Industry and Technics
- 09/2020: Supplementary training for sealed radioactive sources and industrial x-ray devices
- 11/2020: Granting of engineer of chemistry by Wirtschaftskammer Wien
- 11/2020: Supplementary training for High Activity Sealed Radioactive Sources for Industry and Technics
- 01/2021: Fellowship Vienna Doctoral School of Pharmaceutical, Nutritional and Sport Sciences
Completion Grant 2021
- 03/2021: Science communication First PhaNuSpo members meeting
9 years of research in 6 minutes
- 07/2022: Supplementary training for non medical use of unsealed radioactive materials

07/2022: Training as Safety representatives
09/2022: Science communication NUTRIAGING Final conference, Comenius University, Bratislava
Microbiome and its importance in older age
09/2024: Conference participation MoodleMoot DACH DevCamp & BarCamp, TU Vienna
10/2024: 1st UNIVIE Teaching Award 2024: Life Sciences
Digital support of self-learning phases with high quality materials
11/2024: Conference participation Lehre inspiriert 2024
Thema 9: Das Beste aus Moodle herausholen

Skills:

Microsoft Windows, Linux (Ubuntu), MS Office, VBA, Latex, SPSS, R (Statistics), C++, Java, Moodle, Typo3

Selected membership:

Curriculum Committees „Ernährungswissenschaften“ & Lehramt „Haushaltsökonomie und Ernährung“, Campus & Sustainability Network, Lokaler und Zentraler Arbeitsschutzausschuss

List of funds raised:

Universität Wien, “Laborerneuerung Lehre 2022”: 45 000 € for the initial set-up and establishment of the UE Biochemical Practise at the new location Josef-Holaubek-Platz 2 (UZA II).

List of publications:

2017

Zöhrer, P. A., Mölzer, C., Wallner, M., Berry, D., & Wagner, K-H. (2017). Yellow Fellows: Is the gut microbiota changed in mild hyperbilirubinemia? *Ernährung aktuell*, 2017(4), 19-20.

2019

Unterberger, S., Fiornovelli, G., Franzke, B., Zöhrer, P. A., Draxler, A., Tschan, H., & Wagner, K-H. (2019). Effects of low or high amounts of dietary protein and resistance training on muscle quality of older adults: a randomized controlled trial. in V. Bunc, & E. Tsolakidis (Hrsg.), *24th Annual Congress of the EUROPEAN COLLEGE OF SPORT SCIENCE*

2021

Zoehrer, P. A., Hana, C. A., Khoei, N. S., Molzer, C., Hoermann-Wallner, M., Tosevska, A., Doberer, D., Marculescu, R., Bulmer, A. C., Herbold, C. W., Berry, D., & Wagner, K-H. (2021). Gilbert's Syndrome and the Gut Microbiota - Insights From the Case-Control BILIHEALTH Study. *Frontiers in Cellular and Infection Microbiology*, 11, [701109].
